Re: Ms. L.A. Roberts

To whom it may concern:

It is with great honor that I write this letter of reference and recommendation for my friend, client, and advisor, Ms. L.A. Roberts.

I have become to know Ms. Roberts personally since the beginning of 2018, at which time I was requested to hear her speak multiple times at multiple venues in New York City. So taken in with her energy, profundity of thought and command presence, that I requested of her to hire me as her legal counsel. Generally, it is the opposite, that is, the client seeks me out.

It is much too easy to write a recommendation based on trite, overused expressions. I prefer simply describing the real thing which she most certainly is. A woman with real command presence, with an expressive, bold voice, with looks and of course with ideas that make you listen and want to hear more!

There you have it. She is great. Nothing more need be said.

Respectfully,

John R. Fiore
